Dear Lara:

I just want to thank you for the superb way in which you and your staff performed your jobs to make our event on Election Night a success for Mayor Hardberger.

This is the second time I have worked with you and I have found you to be a true joy to work with on both occasions. You are always prompt in getting back with me when I call and handle any requests with ease and grace. I can't tell you how much easier that makes my job.

Please convey my thanks to all your staff, including Franky, Eddie and James. They, too, were a pleasure to work with.

Sincerely,
