Dear Terri,

The Rey Feo 58-2006 experience is one that I will never forget. The fun began with the fundraising campaign in early 2005 through our 10 day Fiesta adventure. Throughout this time it was wonderful to have partnerships with such spectacular vendors such as Sunset Station.

Throughout the Rey Feo 58 reign Sunset Station served as our official caterer. Sunset Station provided catering services for our Candlelight Ball, Kings Reception and other private parties. Sunset Station employees are extreme professionals and they take there service to the next level. In all categories, food, service, and quality our expectations where exceeded every time. You and your staff have created raving fans and are always top on our list as a preferred caterer.

I would like this letter to serve as a letter of reference for future clients. It would be our pleasure to recommend Sunset Station for both off site and on-site catering to potential and future clients. If anyone wishes to contact me, I can be reached at 210-835-4716.

Thank you for your excellent service and I look forward to future business that we can do together!

Sincerely,

Maritza Quiroz
