Dear Terri,

Celebrate San Antonio 2005, welcoming the year 2006, in spite of the fog that rolled in just before midnight, was once again a tremendous success. We are fortunate to live in a city such as San Antonio where our community can come together responsibly and enjoy an evening of good food, family fun, and great entertainment. Because of the warm weather during day, the event drew a crowd close to 250,000 in the downtown area.

A recent survey by Priceline.com for the first time ranked downtown San Antonio in the top 50 New Year's destinations at number 34, between Sydney, Australia and downtown Los Angeles. The San Antonio Parks Foundation views this ranking as a milestone for the City of San Antonio and for Celebrate San Antonio, and this would not have been possible without generous sponsors like Sunset Station.

We can't express our appreciation enough to you, your Chef, and your staff for the beautiful setup and wonderful food you provided for our hospitality room. We were both complimented on how lovely everything tasted several times throughout the evening, as well as days after the event concluded. This was a tremendously valuable contribution and certainly added to the success of our event, and from the recent ranking by Priceline.com, Celebrate San Antonio is **THE PLACE TO BE** on New Year's Eve!

We are deeply grateful for Sunset Station's support of Celebrate San Antonio 2005 and look forward to working with you and your staff again in 2006.

Sincerely,

Lila Cockrell  
President
